Moreton Pinkney Parish Council is looking at creating a Green Infrastructure Plan for the village. Green Infrastructure includes the network of accessible green spaces and access routes, landscapes, biodiversity and heritage assets. We will be mapping what assets we have. We will then be consulting with you, the community, about what aspirations you may have for Green Infrastructure within the parish and what projects you would like to see happen. We will then go on to create an action plan working in partnership with key stakeholders and will start to seek funding. This is to be discussed again at the parish council meeting on the 14<sup>th</sup> of April.

**Spring Garden Competition for Garden Club Members, Sunday 11<sup>th</sup> April**  
 This year the competition will be judged by photograph. If you would like to take part in the competition and don't yet have membership please contact [penny.stragnell@gmail.com](mailto:penny.stragnell@gmail.com) Further details of the event will be found in the GC. newsletter.  
**Garden Club Plant Sale, May 8<sup>th</sup>.** If you are sowing seeds or have seedlings left over the Garden Club would welcome your surplus plants to sell on May 8<sup>th</sup> at their annual plant sale. More information about venue etc will be posted in the GC. newsletter. All are welcome at this event.
